Officer and Good Samaritans Help Family of Geese to Safety

Aberdeen, MD – Officer Buettner and two Good Samaritans teamed up this morning on Interstate 95 near mile marker 77.5 to help a family of geese safely make their way off the highway.

Thanks to their quick thinking, teamwork, and concern for safety, the family was successfully guided away from traffic and out of harm's way.

This incident serves as a reminder that public safety often extends beyond people and that cooperation between officers and community members plays an important role in protecting all who share our roadways.
